Decision of the Director of the Tax Chamber in Zielona Góra.

In view of the interest on the part of shareholders in the company' appeal against the decision of the Head of the Lubuskie Tax Office in Zielona Góra for ascertainment of overpayment with regard to late payment interest to the Director of the Tax Chamber in Zielona Góra, the Management Board informs that today the company has received the decision of the Director of the Tax Chamber in Zielona Góra upholding the decision of the first instance body.

As stated in the report for the 4th quarter of 2012 (point 2.10), by reason of the judgement of the Constitutional Tribunal of 18 October 2011 concerning another entity, the company has reanalyzed the course of the audit procedures in the years 2001- 2009 and has found that its interest was calculated on the basis of a disputed and unconstitutional provision of the law. In the company's opinion, as a result of several years' proceedings, the amounts of interest were calculated without taking into account the interruptions in their calculation.

The Director of the Tax Chamber did not share the view of the company. After examining the case, he found no negligence in the tax proceedings carried out by the Head of the Lubuskie Tax Office in Zielona Góra in respect of the submitted motion.

The above-mentioned decision has no impact on the results of the company and the capital group.

The company is entitled to lodge a plaint to the Provincial Administrative Court in Gorzów Wielkopolski, 30 days of the date of the delivery of the decision at the latest. As of today, the Management Board has not taken a position as to the further steps of the company.
