

industrial bistable relays, digital clocks, power supplies,
installation contactors, electric energy meters,
plug-in sockets, overvoltage arresters, time relays,
solid state relays, power controllers

our New Products

Industrial bistable relays

data sheets

R2B, R3B, R4B

- energy-saving
- 2, 3 or 4 relay outputs
- DC coils

Astronomical and digital clocks

RWT, RAT, RDT

- 52 or 80 programs to choose
- automatic summer/winter digital clock switching
- one or two channels
- one output (PWM)

data sheets

Ask for offer export@reipol.com.pl

Power supplies

data sheets

RZI

- industrial power supplies
- modular power supplies
- power supplies with relay

Installation contactors

RXC

- great control possibilities
- AC or DC coils
- auxiliary contacts

data sheets

Overvoltage arresters

data sheets

RSP

- for electrical installations
- for photovoltaic systems
- signal

Time relays

RPC-ME

- 10 time functions
- 4 relay outputs or 2 triac outputs
- supply 12...240 V AC/DC

data sheets

Electric energy meters

data sheets

RLE

- measuring and monitoring energy consumption:
 - in 1-phase network 230 V AC
 - in 3-phase network 3(N)~ 400/230 V AC
- MID certification

Plug-in sockets on 35 mm rail mount

GSR

- GSR-01: socket type E
- GSR-02: socket German Schuko type F
- GSR-03: UK standard socket type G
- GSR-04: universal Italian socket 2P+T+Schuko

data sheets

data sheets

Solid state relays, power controllers

RSR

- for industry
- 1-phase and 3-phase
- AC or DC control
